Pitch angles available

The book itself. *Rivals* meets *Succession*, set in Beverly Hills. The transatlantic bonkbuster for the post-Cooper moment.

The publishing insider. Head of Global Publishing at StoryTerrace, launching his own self-published novel alongside the relaunch of *Book One*.

The brother angle. Co-written with his late brother Colin, who died before publication. Jon completed the series alone as both tribute and grief-processing. Handled with care.
